Sterling Knight:

What an amazing time
What a family
How did the years go by
Now it's only me

Tick-tock, tick-tock
Tick-tock, tick-tock
Tick-tock, tick-tock
Tick-tock, tick-tock
La, la, la, la, la, la

Br3ndan:

Like a cat in eat stuck in a moving car
A scary conversation, shut my eyes, can't find the
brake
What if they say that you're a climber
Naturally, I worried if I do it alone
Who really cares, causes it's your life
You never know it could be great
Sterling Knight:
Take a chance cause you might grow
Oh, ah, oh

Sterling Knight & Br3ndan:

What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for

What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for

Tick-tock, tick-tock
Tick-tock, tick-tock
Take a chance you stupid girl

Sterling Knight:

Like an echo pedal, you're repeating yourself
You know it all by heart
Why are you standing in one place

Br3ndan:

Born to blossom, bloom to perish
Ya know member a out six permissions
I know it's so messed up, how our society all think (for
sure)
Life is short, you're capable (uh-huh)

Oh, oh, oh
uh,uh
uh,uh

Sterling Knight & Br3ndan:

Look at your watch now
You're still a super hot female
You got your million-dollar contract
And they're all waiting for your hot track

What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for

What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for

I can't wait to go back and do Japan
Get me lots of brand new fans
Osaka, Tokyo
You Harajuku girls
Dang you've got some wicked style

Goooooooooooooooooooo

Look at your watch now
You're still a super hot female
You got your million dollar contract
And they're all waiting for your hot track

What you waiting
What you waiting
What you waiting
What you waiting

What you waiting for

What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for

Sterling Knight:
What you waiting for
What you waiting for

Sterling Knight & Br3ndan:
(What you waiting for)
Take a chance you stupid girl
Take a chance you stupid girl

What you waiting for
What you waiting for

(What you waiting for)
Take a chance you stupid girl
Take a chance you stupid girl
