My ego he got in the way
Of what I was really supposed to say
When you told me you were leaving me
I didn't know it would hurt so bad

Now when I see you with *him* (sounds like 'them'? But
'him' makes more sense. Agreed?)
I can't seem to control the emotions that I feel inside
Girl, why'd I let you go?
Noooo..

[Chorus]

Don't want nobody else calling you baby, baby, baby
I cant believe somebody's kissin' my baby, baby, baby
Need you to turn around and be my baby, baby, baby
How can I blame you when it's all my fault that
somebody else is calling you Baby

I'm missin' my baby

Oooohh

Now I was selfish
Look where it got me
Oh I'm watching *waltzing in with sheen*(lol, I'm soooo
sure that's not the lyrics)
I still had it all if only I could do it all over again

Cos when I see you with him
I can't seem to control the emotions that I feel inside
Girl, why'd I let you go?

[Chorus]

Don't want nobody else calling you baby, baby, baby
I cant believe somebody's kissin' my baby, baby, baby
Need you to turn around and be my baby, baby, baby
How can I blame you when it's all my fault that
somebody else is calling you Baby
I can't get you outta my head
Playing all over my bed
Reminiscing when you were here with me, baby
I need you back again
Tell me this aint how the story ends

Cos I can't go another day without youuu..

I'm missin' my baby

[Chorus]

Don't want nobody else calling you baby, baby, baby

I cant believe somebody's kissin' my baby, baby, baby

Need you to turn around and be my baby, baby, baby

How can I blame you when it's all my fault that

somebody else is calling you Baby
