UH

Dig a whole burry yourself niggah  
Go ahead, keep goin i got some nice dresses for you  
guys over there  
The Incomparable H.O.

UH

Yesss  
What you see now?  
Came, conquered  
We g'on see now  
Dig a Hole  
Go 'head  
MotherFucker, burry yourself  
Dig a hole  
Dig a hole  
Dig a hole

I'm still hear mon frerre  
you know the cost i bear  
like, thats why they call you Hov, I'm like yeah  
like air  
little shots go through me, wont tear one tissue  
no tears no tissue, not an issue  
Dont cry for me I peep these niggahz from deep  
By the front row seat even if you dont speak  
Silent pardon, I hear you loud and clear  
You left your figure print, you aint gotta be there  
I'm just waitin 'till you dig a hole big enough to put your  
whole body in  
then i'm gon' body them  
It's nothing but a hobby to him  
Simple as serve and volley to him  
Niggahz like "Hov why dont you get at ol' boy"  
Why kill a puppet and leave Cheppetto alive (from  
pinocio)  
Why not wait till you get em all together, thats when  
you dig one big hole, one time

What you see now?

We gon' see clown  
Dig a hole  
Dig a hole  
Go 'head, burry yourself  
Dig a hole  
Dig a hole  
Go 'head

Hows niggahs dissin me? I made it possible  
For niggahs to make history, How is the possible?  
Please explain this shit to me, How is it logical?  
Have we forgot our history? lets open our bibles  
Its like the disciples dissing Jesus becoming his rivals  
Shunning teh one thing that they owe their life to  
You let that man hype you to go against your idol  
Knowing good and god damn well this what I do  
Think I'm in the office I lost my grind  
Thats how kids become orphans, YOU LOST YOUR  
MIND!?  
I keep my enemies close  
I give 'em enough rope  
They put themselves in the air  
I just kick away the chair

UH  
UH  
We gon' see now  
UH HUH  
We gon' see clown  
Dig a hole  
Dig a hole  
Go 'head, burry yourself  
Dig a hole  
Dig a hole  
Go 'head, Burry yourself

Hov gon' get you, I aint forget your little disrespect  
NO Hov, daddy gon' spank your for that shit you said  
It's hard to do, when you got nothin to prove  
Everbody know you better, you in a lose lose  
Even if you win, ultimately you lose  
Real niggahz like, "why Hov talkin to dude"  
He's sellin low too  
Only time you went plat  
My chain was around yout neck, thats an actual fact  
So I'm praying that it spills outside of the Booth  
Thats when y'all niggahz outside of your truth  
Outside of your league, thats not what you do  
Niggahz throwing ROC signs outside of your coupe  
[Laughs]  
Dun look at Hove like he dun somethin wrong to em

He just took what belong to em  
Niggahz playing Checkers wid Chess playing Hov  
This game is over I dunno if y'all know  
You in a hole

We gon' see now  
Uh Huh  
We gon' see clown  
Dig a hole  
Dig a hole  
Go 'head, burry yourself  
Dig a hole  
Dig a hole  
Go 'head, burry yourself
