Seems like you're always finding new reasons  
to exercise your rights to say  
all the things you know i don't care to hear  
you're sure to share them anyway  
you're thinking if you tell me a little louder  
baby that will help me to change (oh)  
it's as if you're tryna make me turn coward  
you think i'm gone runaway

But i gotta tell you that i won't go  
it really doesn't matter (oh), it really doesn't matter to  
me  
i'm never gonna leave so long  
it really doesn't matter (babe), it really doesn't matter  
to me (baby)  
and i don't care  
if you feel different, so what if you're not into me (me)  
i'll be here consistently (ly), nothing's gonna change  
(oh oh)  
it really doesn't matter (ey), it really doesn't matter to  
me  
cos i'm never gonna leave

Don't try to push me away girl  
see i ain't going noway no  
cos your love is what matters to me  
i just wouldn't be right girl if i had to live or without ya  
you're the reason why i breathe (oh oh)  
so i don't care what you throw my way  
it ain't nothing that could turn me away

Girl what i'm tryna tell you is  
it really doesn't matter (no), it really doesn't matter to  
me  
i'm never gonna leave so long  
it really doesn't matter (oh), it really doesn't matter to  
me  
and i don't care  
if you feel different, so what if you're not into me  
i'll be here consistently, nothing's gonna change  
(nothing's gonna change)  
it really doesn't matter, it really doesn't matter to me

You don't know how much you mean to me  
i'ma say it til you hear me clearly  
it don't matter cos i'm never gone back down  
i know at times we're gonna feel the pressure  
but we can't let it get the best of us (so no)  
never letting go  
cos we're in control and that's how i know

It really doesn't matter (no), it really doesn't matter to  
me  
i'm never gonna leave so long  
it really doesn't matter (oh), it really doesn't matter to  
me (baby)  
and i don't care  
if you feel different, so what if you're not into me (oh)  
i'll be here consistently, nothing's gonna change (oh)  
it really doesn't matter (no), it really doesn't matter to  
me  
cos i'm never gonna leave no
