We were so dumb in love
Can't get enough, no
And I could've loved you so much better
And I can't believe you got to walk out
And it stopped before

I felt that you're hurt
Would let go of my past for you
Everything I asked from you
Drive across the country if I asked you to
I'm just bad for you

I fumble to her
I'm bad for you
Yea, I'm just bad for you
I'm bad news
I'm just bad news

You feel so down sometimes
I wish we could touch some more
Girl, everywhere you know this letter
It's that I wrote if I was wrong
So wrong...
Let's not just fall

I felt that you're hurt
Would let go of my past for you
Everything I asked from you
Drive across the country if I asked you to
I'm just bad for you

I fumble to her
I'm bad for you
Yea, I'm just bad for you
I'm bad news
I'm just bad news

Some nights you might not remember
All with you or nothing
I'm sorry that I messed up girl
Really love you, I really really love you

Now that I know I love you
I won't love another girl

And it's not your fault
That I fumble to her u-uh
