Hello? Hello?
Yeah, what up?
Oh, yo I wanna talk about like.. us you know?
Ah, you go with this again
I mean I aint tryna pressure you ways. I'm, I'm really not
I mean..
Listen girl, I'm not.. I'm not, I'm not ready for all of that
right now
I'm not tryna hit it off right now, you know what I'm
saying? I'ma hold you down
Yeah, yeah, yeah
Haha, so you gon' do me like that?
Yo, I'm young, I'm young, I'm doing my thing you know
what I'm saying? You see me out in the streets
I'm young too, I'm young, I'm doing my thing too. Okay,
lay out in the streets, I work
I don't want to hurt you
I don't want to hurt you!
I mean like, ugh..
Yo listen, listen, listen, just listen..

Done wiped out, that girl lies a lot
I tried to be different and be a one woman man but I,
Her and I aint getting no getting no commitment
All the questions for where I been, why my voice mail
keep answering
Truthfully I got my pimp hat on
I aint ready to settle down, girl hear me out
I'm just tryna keep my doo-rag on
And my homies while out with me, introduce me to new
shorties

Just because..
Just because I'm not ready, doesn't mean I'm not a
good guy
Just because I'm not ready, it don't mean you're not a
good girl
Bought you roses, just because
Called you three times, just because
Girl don't think nothing of it
Cause I did it just because

Back and forth I go
Should my status be solo?
Should I make up my make-shift when I aint ready to be
no one's man
Making excuses for where I been
Any other questions, I'll plead the fifth
I just wanna keep my pimp hat on
I aint ready to wifey now, girl hear me out
I'm just tryna keep my doo-rag on
I have about ten girls calling me, with their face on my
caller ID

Just because..
Just because I'm not ready, it don't mean I'm not a
good guy
Just because I'm not ready, doesn't mean you're not a
good girl
Bought you roses, just because
Called you three times, just because
Girl don't think nothing of it
Cause I did it just because
Hello? Hello?

And my homies while out with me, introduce me to new shorties

Just because..

Just because I'm not ready, doesn't mean I'm not a good guy

Just because I'm not ready, it don't mean you're not a good girl

Bought you roses, just because

Called you three times, just because

Girl don't think nothing of it

Cause I did it just because

Back and forth I go

Should my status be solo?

Should I make up my make-shift when I aint ready to be no one's man

Making excuses for where I been

Any other questions, I'll plead the fifth

I just wanna keep my pimp hat on

I aint ready to wifey now, girl hear me out

I'm just tryna keep my doo-rag on

I have about ten girls calling me, with their face on my caller ID

(2x)

Just because..

Just because I'm not ready, it don't mean I'm not a good guy

Just because I'm not ready, doesn't mean you're not a good girl

Bought you roses, just because

Called you three times, just because

Girl don't think nothing of it

Cause I did it just because

If I said yes, I'd be lying and I can't deny it

You're wifey material, kiss me in the future girl

I might be ready to settle down

But not right now, I'm caught up in my pimping girl

You say you love me, it's not what I'm feeling

Wanna be my number one, I aint ready to do it

Then why'd you kiss me? Just because

Tell your mom's about me? Just because

What it is, it aint nothing

So you did it just because

Just because..

Just because I'm not ready, doesn't mean I'm not a good guy

Just because I'm not ready, it don't mean you're not a
good girl
Bought you roses, just because
Called you three times, just because
Girl don't think nothing of it
Cause I did it just because
