Sterling
Like An Earthquake

Damn, yeah
Oh, oh

[Verse 1]
What up shortie?
Wha-Wha-What's wrong with you?
Changed the last of my shit on the loan and now
You won't answer the-the-the phone
I don't know what's going on

[Pre-Chorus]
Just this morning
We did what we did
It was callin'
My name again and again
It's just a vicious cycle that we go through
Right now I need something to hold on to

[Chorus]
It's an earthquake
I just don't know what it is that you want from me (No)
The shit that you're on is so crazy (So crazy)
I can't take it no more (No-oh)
You got my world shaking
Your love is like an earthquake (Earthquake, yeah)
Why do you want to be like that? (Why do you wanna be like that?)
You leave everything and come right back-eh (Right back)
I can't take it no more
You got my world shaking
Your love is like an earthquake

[Verse 2]
You got me thinking
Wha-What could it be?
Probably someone lying on me (Again)
It's probably one of your friends (Again)

Somebody is lying on me (Again)
What I do to be, to go through this all the time (Oh-
whoa) Tell Me
'Cause I just want to love you girl
But I'm losing my mind

[Pre-Chorus]

'Cause this morning
We did what we did
It's callin'
My name again and again
It's just a vicious cycle that we go through
Right now I need something to hold on to

[Chorus]

It's an earthquake
I just don't know what it is that you want from me
The shit that you're on is so crazy
I can't take it no more
You got my world shaking
Your love is like an earthquake (Earthquake)
Why do you want to be like that? (Tell me why you
wanna be like that?)
You leave everything and come right back-eh (I know
you're gon' come right back)
I can't take it no more
You got my world shaking
Your love is like an earthquake
[Like An A Earthquake Lyrics On]

[Verse 3]

Every time I think, everything between us is okay
You gone and changed the game on me
I, I just hate it girl
I, I can't take it, 'cause I don't want you to start
Accusing me, asking where I've been yeah
Trust in me, here we go again
I'm trying my patience, I'm trying like hell
But I just can't take it
My world start shaking again (Again, again, again)

[Chorus]

I just don't know what it is that you want from me
The shit that you're on is so crazy
I can't take it no more (no more)
You got my world shaking
Your love is like an earthquake (Earthquake)
Why do you want to be like that? (Why do you wanna be
like that?)
You leave everything and come right back-eh (come
right back)
I can't take it no more

You got my world shaking
Your love is like an earthquake

[Fade]

You got my world shaking
Your love is like an earthquake
I don't know why you wanna be like that
You leave everything and you come right back-eh
I can't take it no more
You got my world shaking
Your love is like an earthquake
