[Verse 1:]

So many girls want to holla  
But I can't seem to find the right one  
Everytime I think I got her  
She starts playing games or doing something to turn  
me off  
But I've come to this conclusion  
Being a player is the solution  
Till a Shawty come along and make me stay home and  
give the world to her

[Bridge:]

She Can be so beautiful  
But half the night she's against the wall  
She can even cook and wash clothes

It gets too emotional

[Chorus:]

That's why

One love

Girl I'm trying to find one  
On the search I'm trying to find one  
Sumone that I know can hold me down

That's what I need is one love  
That's what I need is one love  
I'm searching for that one

[Verse 2:]

Now every night I come across  
A nice girl and we hit it off  
We might spend some time together  
Baby gave me pleasure  
She was down for whatever  
And outta nowhere she started trippin'  
She got on the phone with all her women  
And I'm on the road handling buisness  
And she thinks I'm pimping

And freaking with other women

[Bridge:]

She Can be so beautiful

But half the night she's against the wall

She can even cook and wash cloth
