Come in this room and let me take control  
I've got the kind of love you lookin' for  
We got all night so I'm gonna make it count  
I'll make sure the mood is right, I hope you're ready

Oh baby let your hair down  
And bring your body close  
Tonight I'm gonna show how  
So everybody knows  
Forget about the neighbours  
Cause baby I don't care  
Said there ain't a secret to what's goin' down tonight  
[Chorus]

I'ma make you scream, ey  
Soon as I lay you down  
And in these sheets, girl I'm  
I'm about to turn you out  
And make you scream, yeah  
Just tell me when you've had enough  
Tonight there ain't gonna be no holdin' back  
When I lay you down  
Just to hear your voice, girl it turns me on  
So let your body talk to me baby all night long  
I'ma kiss your legs and push to the limit  
Pull your hair while I'm up in it  
Girl I hope ready cause the time is now

Oh baby let your hair down  
And bring your body close  
Tonight I'm gonna show how  
So everybody knows  
Forget about the neighbours  
Cause baby I don't care  
There ain't a secret to what's goin' down tonight  
[Chorus]

I'ma make you scream, ey  
Soon as I lay you down  
And in these sheets, girl I'm  
I'm about to turn you out  
And make you scream, yeah  
Just tell me when you've had enough  
Tonight there ain't gonna be no holdin' back

When I lay you down  
We'll use the light from the kinogen?  
And we're gonna make love to Liz Cole?  
I promise, when you feel it comin'  
Said you gon' grab the band and sing my name  
When you finally let it go  
[Chorus]  
I'ma make you scream, ey  
Soon as I lay you down  
And in these sheets, girl I'm  
I'm about to turn you out  
And make you scream, yeah  
Just tell me when you've had enough  
Tonight there ain't gonna be no holdin' back  
When I lay you down
