Listen to me, girl, yeah, I know your situation,  
Don't wanna impose, but I really don't give a fuck 'bout  
'em, baby.

Baby, I just really want you to be my lady, lady, yeah.  
I know you said it wasn't cool and I shouldn't talk to you  
Baby, I get up because I know it isn't right for you.  
But we'll just talk about it later, I acknowledge that I'm  
being a hater.

But fuck that nigga  
'Cause he ain't right here  
Baby, eventually, your mascara's gonna smear  
I'll fuck around and punch that nigga  
If I ever see you in tears, no  
'cause, baby, eventually, your mascara's gonna smear.

Now you wanna talk to me about the shit that I've been  
done,  
I really think should know me, I'm nothing to hide from  
ya  
Baby, baby, the way you're fronting on me, I swear it's  
crazy, crazy.

Call your own girlfriends, ask about 'em, ask about 'em  
Then call the same girlfriends, then ask about me, ask  
about me.  
Girl, let's talk about it later, I acknowledge that I'm  
being a hater.

But fuck that nigga  
'Cause he ain't right here  
Baby, eventually, your mascara's gonna smear  
I'll fuck around and punch that nigger  
If I ever see you in tears, no  
'cause, baby, eventually, your mascara's gonna smear.

Girl, ever since the day I've seen your pretty face  
I knew I had to have you, girl.  
And I want you either way, you know it's not the same  
When I'm with you, girl.  
You know you like it, you like it,

I know you feel it, girl,  
Dont fight it, fight it,  
All of his wrongs girl, I can right it, right it  
What I'm trying to say is come over my way.

Hey, baby, fuck that nigga  
'cause he ain't right here  
Baby, eventually, your mascara's gonna smear  
I'll fuck around and punch that nigga  
If I ever see you in tears, no  
'cause, baby, eventually, your mascara's gonna smear.
