But I'm stuck in traffic  
What am I about to do

While I'm stuck in traffic  
And it's been a long day, baby oh I can't wait  
To get myself off this slow lane

Baby I'm stuck in traffic

[Cassidy]

Just think I'm missing an action man  
But I'm in traffic man.. bumper-to-bumper  
Traffic jam  
I'm a sit right here in the whip right here  
Till the coast is clear, but I'm close to there  
If Shorty wanna drive land rover there  
If she don't wanna dive then a cheauffer there  
She suppose to wear rocks on bother her wrist, on  
bother her hands and both her ears  
We argue or fight, but the smoke is clear, the good and  
bad times we suppose to share  
U suppose to be there, u suppose to care, gimmie  
20min I'll be over there

Yeah I'm a let u have it girl, u addict to this  
U an addict girl, I'll be over there right now putting it  
down  
But I'm stuck in traffic girl

But I'm stack in traffic  
Trying to get to you  
Get to you  
But I'm stuck in traffic  
Don't kno what am I about to do  
get to u  
While I'm stuck in traffic  
And it's been a long day, baby oh I can't wait  
To get myself off this slow lane  
but I'm stuck in traffic  
but I'm stuck in traffic  
Trying to get to you  
Get to you  
But I'm stuck in traffic  
Don't kno what to do  
Get to u  
While I'm stuck in traffic  
And it's not a long day, baby oh I can't wait  
To get my self off this slow lane  
Baby I'm stuck in traffic

Baby I'm stuck in traffic  
Baby I'm stuck in traffic
