Look at what Ecstasy sent me,
Something Leonardo da Vinci,
Couldn't put together no focus,
Could put it to whether.

Can't wait for the day you miss me
That just means you're heart is listening
'cause we go together like Kurt Cobain and Seattle
weather.

So baby
What do we do, we shouldn't hold none up
You should come by so we could roll some up
I'll make me say ah na-na-na-na-na-na-na-na.

And you remind me of the girl you are, the girl you are.
And you remind me of the girl you are, the girl you are.
na-na-na-na-na-na-na-na- na- na oh yeah, yeah.

I've been feeling this way for so long,
I dread the day we say so long
You should call me your lover,
Call my mother your mother,
Making love with no rubber.

But if your heart's really taken,
Girl, I'm willing to be patient,
But, baby, just promise that it won't be long.
But fuck that.

What do we do, we shouldn't hold none up
You should come by so we could roll some up
I'll make me say ah na-na-na-na-na-na-na-na.

And you remind me of the girl you are, the girl you are.
And you remind me of the girl you are, the girl you are.

Uh, baby, you are my broken smile
Uh, baby, you make me wanna kids now
Uh, girl, then what are we gonna do now?
What we gonna do, what we gonna do yeah

Uh, baby, you are my broken smile
Uh, baby, you make me wanna kids now
So, baby, what are we gonna do now?

What do we do, we shouldn't hold none up
You should come by so we could roll some up
You make me say ah na-na-na-na-na-na-na-na.

And you remind me of the girl you are, the girl you are.
And you remind me of the girl you are, the girl you are.
You remind me of
And you remind me of... the girl you are.

What do we do, we shouldn't hold none up
You should come by so we could roll some up
I'll make you say ah na-na-na-na-na-na-na-na.
What do we do, we shouldn't hold none up
You should come by so we could roll some up
I'll make you say ah na-na-na-na-na-na-na-na.
