Today I might just ride around  
And maybe go a thousand miles  
Cause there's no one in my air  
There's no one in my head  
No one waiting in my bed  
Tonight try something like a blue sky dive  
Free fall I'm a bird in the sky  
Take a breath  
Almost forgot that I'm alive

I sacrificed so we could both build a life  
I put it on hold  
For love I never thought twice girl  
Now you wanna come right back like it was all a big  
mistake  
But there's nothing left to save no  
Why you wanna love me?

Why you wanna  
why you why you wanna love me now?  
Why you wanna  
why you why you wanna love me now?  
Do you really want to take a chance?  
Or do you just want what you can't have?  
My head's in the clouds  
Why you wanna love me now?  
Why you wanna love me now?

Happy holidays in advance  
Kiss your mom, send my love to the fam  
When your heart freeze up  
Turn the fireplace on  
Cause I won't be there keeping you warm  
Gotta go through it to understand  
This kind of shit hits you like an avalanche  
Took a minute took it back up now I'm fine

I sacrificed so we could both build a life  
I put it on hold  
For love I never thought twice girl  
Now you wanna come right back like it was all a big  
mistake

But there's nothing left to save no  
Why you wanna love me?

Why you wanna  
Why you why you wanna love me now?  
Why you wanna  
Why you why you wanna love me now?  
Do you really want to take a chance?  
Or do you just want what you can't have?  
My head's in the clouds  
Why you wanna love me now?

Tell me, why you wanna love me?  
Is it just cause you're afraid of being lonely?  
I've tried to be a man to you girl  
Was I supposed to hand you the world?  
Girl you made it so clear  
Told me that your heart wasn't here  
So I gotta know  
Tell me, where do broken hearts go?

Why you wanna  
Why you why you wanna love me now? (Why you wanna  
love me now)  
Why you wanna  
Why you why you wanna love me now? (No whoa  
ooooooooo)  
Do you really want to take a chance? (Take a chance)  
Or do you just want what you can't have? (Ohhhhhhhh)  
My head's in the clouds (Tell me)  
Why you wanna love me now?

Why you wanna (Why you wanna love me love me  
baby?)  
Why you why you wanna love me now?  
Why you wanna (Why you wanna love me love me  
baby?)  
Why you why you wanna love me now?  
Do you really want to take a chance? (Whoa oh oh)  
Or do you just want what you can't have?  
My head's in the clouds  
Why you wanna love me now? (Yeahhhhhhhhhhhhhh)
