[Intro: DJ KaySlay]

DJ KaySlay! DJ Greg Street! The Champions! North  
Meets South!

I got this new female rapper I'm workin with right  
And I respect all the other female rappers out there  
But there's somethin about this chick right here  
You know what I'm a let y'all see for yourselves  
Yo Vein let's go!!!

[Verse 1: Vein]

Vein!!! About to turn it up a couple notches  
Yeah! My team winnin and can't nothin stop us  
Whoa! Everybody sittin back and watchin  
Nigga you 'gon hold your breath or hold your crotches  
I'm hittin balls out the park cause I'm the truth  
The empress the title but they call me Baby Ruth  
I'm bout to, take over yo' city yo' hood  
I'm a, represent like a real woman should  
Anybody wanna see if I'm a come see how it was done  
Don't anybody wanna hand around you could see how  
they run  
Wanna talk shit but you can't back it up  
When you in the studio start actin up  
When I see you in the street nigga don't say shit  
Pop yo'self homey hold yo' spit  
You don't really wanna start no drama  
Trust me I'm a be the one that solve it  
Try go press yo' luck go 'head I'm waitin  
You don't wanna see my aggravated  
I ain't got no time for no conversation fakin you hatin  
Don't nobody wanna wife you niggas wanna wife me  
Shorty wanna fight you and be just like me  
I be from the V to the A represent all day  
Where we like joke around but we just don't play

[Bridge: DJ KaySlay]

Yeah that's what I'm talkin about!!!  
Streetsweepers Entertainment!!! First Lady! Vein!!!  
Yeah you know that shit that run through your arms  
That the blood pumps through your heart  
Yo Vein, switch your style again

[Verse 2: Vein]

Yo! Yo I was born ready ain't nothin that anybody can  
tell me

My flow is heavy it's steady machete you wack like  
confete

You ready I'm clockin your Chevy ringtone in yo' celly  
Your sick to your belly yo ain't no way you 'bout to stop  
me

Cause you the type of chick thatniggas wanna slut  
And I'm the type of woman that a man wanna wife  
Right, never get it twisted I could still mess your life up  
Spittin that piff when I'm flowin in the cipa

I make the quickest decision

You sittin and wishin we switchin positions

You slingin and missin my woman's intuition

Got you bitchin, snitchin, we back and I diss 'em

We on a mission you gettin you slippin

Ain't 'gon leave you with a pot to piss in

Yeah, y'all the V-E-I-N

Try to stop the Streetsweepers niggas we 'gon win

The way I flip my flow I knew it gotta be a sin

Kayslay the Drama King ain't nobody messin with him

[Outro: DJ KaySlay]

Yeah you got that shit right DJ KaySlay!!!

AKA Y'all know what it is already I ain't got to say!!!

Vein!!! Two thousand six Streetsweepers First Lady

We bought to bring the noise, ya heard
