I'm on fire,
But you just stare through me,
Like you see beauty in
The flames.

It's been a long road,
Just to get myself clean.
Won't you take me as
I am?

'Cause I love,
You more,
Than I've
Ever loved before
(x2)

What did you expect,
When you sat next to me.
With a heart so closed,
As yours.

Has the sun gone down,
on the world that we knew?
There's just a room
full of doubt
where the lights

have gone out
you cannot feel me,
and I can't reach you.

But I love,
You more,
Than I've
Ever loved before

I love,
you more,
than I've
ever loved before

Don't hold me back,

Just hold me.
Don't turn your back,
Just hold me!
('Cause I love,
you more,
than I've
ever loved before)

I love,
you more,
than I've
ever loved before!
(x2)
