My rhyme

[ Daddy-O ]

Awaken my conscious to a jubilee  
Restore me with everlastin energy  
My rhyme does work when I put it to use  
Makes me glow when I'm walkin up and down the  
Deuce  
And when I'm shoppin on Delancey buyin brand new  
gear  
Girls always wanna whisper somethin in my ear  
At a show old ladies even waitin in line  
And it all takes place on the count of my rhyme

My rhyme

Talkin 'bout my rhyme  
My rhyme

[ Delite ]

My rhyme is the force of sheer suspense  
The stroke of elegance and excellence  
The best and no less, seizing in your interest  
My rhyme is packed with the muscle and finesse  
Satisfaction guaranteed as I get ill  
Definitely approved that's a thrill to thrill  
My rhyme ??????? the escapade  
Or at least as a teacher from my trade  
Of my rhyme

[ Fruitkwan ]

My rhyme's wrapped in a fury of hate  
And dare a devil rhyme rebel my axe terminate  
Subduin and pulverizin suckers from afar  
Couldn't sling with the king, I'm a hazardous detour  
Break north, suckers, I'm intensively hard  
My rhyme is on point cause I stay on guard  
It might be quiet, but it's deliberated  
And when it rocks the mic, it stays motivated

[ Daddy-O ]

Sayin what I mean, meanin what I say  
Hooray, you toot and chant when my rhymes are

played  
If I may, today, demonstrate my sway  
A display like the Grammys shoulda went to Sade

My way, my occupation on the m-i-c  
The way I handle my rhyme, they call it mastery  
Quakin earth, crashin symbols, ringin bells over towns  
And you all wanna come hearin Daddy-O's rhyme  
Sucker MC's fear it, my fans all cheer it  
My rhyme's a category of personafied lyric  
Livin, it tastes, feels, hears and sees  
You may not believe it, but my rhyme breathes  
It only dresses in the freshest gear  
And it never wears words that I wore last year  
In the summer you may hear it in L.A. at a show  
Or at Miami gettin played at a radio show  
My rhyme

[ Fruitkwan ]

My rhyme is devious, but believe me it's  
One of a kind, you agree from the previous  
Rhymes that you're hearin is devastatin  
This rhyme made Tschernobyl stop generatin  
After effects of my rhyme gets bolder  
It move very swift just like a locomotive  
The rhymes I possess can surely produce  
To any size, big or small, and I can even reduce  
My rhyme

[ Delite ]

Sturdy as a bow, I'm sharp as a arrow  
A king among kings, a rhymin pharao  
Here to ignite, excite tonight  
I'm the daddy of swing, the Rhymorator Delite  
Rockin chapter after chapter and saga after saga  
Try to battle me, man, don't even bother  
I'm reapin and leapin to the highest bound  
Shake the walls of hell as I rock the town  
With my rhyme
