[Daddy-O] I got a (girl named Sally)  
[Delite] And she don't score  
[Daddy-O] Or eat pork  
[Both] With a spoon or fork  
[Daddy-O] But I heard that

[Chorus]  
(Some people don't like the way  
The way Sally walk)  
(Ahem)  
(Some people don't like the way  
They way Sally walk)  
(Ahem)  
(1-2-3-4 Hit it!)

[Daddy-O]  
This story's funny  
I met this girl, and she had money  
In vast abundance  
Goo-goo gobs, I mean redundance  
Her eyes were hazel  
Her dress was suede, her voice was nasal  
I found her so fly  
But for the life of me, I didn't know why

[Chorus]

[Delite]  
Now here's what took place  
Recoed this jam, she rented the space  
Nice place to party  
But wouldn't you know, it turned out sorry  
It's so confusin'  
And sometimes I say it's amusin'  
The jam was okay  
'Til Sally walked in, 'cause just like I say

[Chorus]

Bridge:  
(girl named Sally)

(girl named Sally hit it)  
(girl named Sally)  
(girl named Sally)  
(1-2-3-4 Hit it!)  
(girl named Sally)  
(girl named Sally hit it)  
(girl named Sally)  
(girl named Sally)  
(1-2-3-4 Hit it!)

[Daddy-O]

You know what? She don't live in Manhattan  
Bronx, Queens, or the island of Staten  
She's a Brooklyn swinga  
So fly, every Friday night I might ring her  
Telephone, yo D guess what (What?)  
She's all alone (So?)  
Stoned to the bone  
Her shape's full grown  
The kind of girl I'd love to own, ya see 'cause

[Chorus]

[Daddy-O]

I'm still with Sally  
Paid and now we're both (feelin' Cali)

[Frukwan]

I think I love her  
I know that I think highly of her

[Delite]

Believe it or not  
I even thought  
of tying the knot

[All Three]

She's opened my nose  
And I ignore the story that goes:

[Chorus]

Bridge (x2)
