(For you) --> Run

[Daddy-O]
We-we-well, whaddaya know, we got a whole lot of fans
Not only in New York, but across the land
Playin record after record every night and day
Comin to every show everytime we play
[Fruitkwan]
Rhythm - blues - that's cool
Old school rap, Jack
But as a matter of fact is back
You can make us or break us
This-this-this is dedicated to the fans that declarate us
[Delite]
Yo, we on a steamroll rollin out much soul
So much soul, I think your woofers might blow
Back again to show ya, fly just like I told ya
Foes are crushed by the Stet rhyme roller
[Daddy-O]
Them we could-them we couldn't exlude, they're on the
top of our list
Any dedicated fan is our dearest wish
[Fruitkwan]
So-so-so for you our fans
[Delite]
Go-go for what you know
[Daddy-O]
Feel the life of our flow
[all]
AND LET THE GOOD TIMES ROLL!

Come on, break

(This is it, y'all)
(For you)

(It-it's-it's for my fans)

(Come on baby, let the good times roll)

(For you)

[Fruitkwan]

In Ohi-in Ohio I met a guy named Ben
He bragged to all the friends about the Stetsa trend
By dishin out matches we gave him at the hotel
Got caught by the cops because he sold em for
wholesale

[Delite]

[Name] from Virginia gave this display
That 'Stetsasonic' to this day is still hard to say
But when we rapped and rolled, shook her out her
shoes

She was certified down with the Stetsaloo

[Daddy-O]

Now out in Oakland, California there's a guy named
Dan

Wears a big top hat and he drives a van
When we were in his town he treated us kind
So we got him backstage before showtime

[Fruitkwan]

We-we-we-we rotate fans like reduced stocks
Based on suces we're produced to rock

[Delite]

So for-so for you our fans

[Daddy-O]

Go-go-go for what you know

[Fruitkwan]

Fee-fee-fee the life of the flow

[all]

AND LET THE GOOD TIMES ROLL!

Come on, break

(This is it, y'all)

(For you)

(It's for my fans)

(Come on baby, let the good times roll)

(For you)

[Delite]

A who-a whole posse from Cleveland had this to say
Arguments for the Stet to go all the way
They took a poll for the final say
That the record 'Faye' was number one to play

[Daddy-O]

In-in L.A. they got gangs called the Bloods and Crips

One gang waitin for the next to flip
But in L.A. we do it right
Cause our fans are Bloods and Crips alike
[Fruitkwan]
In-in Washington there's the White House
Before a Stet concert it gets quiet as a mouse
5 - 4 - 3 - 2 - 1
Lights out, Stet's out, damn, listen to the scream and
the shout
[Delite]
We roll like tanks all the way to the bank
From the streets of Brooklyn to the streets of Burbank
[Daddy-O]
So-so for you our fans
[Fruitkwan]
Go-go for what you know
[Delite]
Fee-feel the life of the flow
[all]
AND LET THE GOOD TIMES ROLL!

Come on, break

(This is it, y'all)
(For you)

(It's for my fans)

Let the good times roll!

(For you)

[Daddy-O]
Yo
I'd still say the best fans is in Miami
[Delite]
Ah nah, nah, nah
Brooklyn
Brooklyn
Brooklyn number one, man
Always, man
Always
[Daddy-O]
It ain't even no stadium in Brooklyn
[Delite]
Yo, we can make stadiums
(Go Brooklyn)
Everywhere is Brooklyn
Everywhere
You can go to any college
You can go to any city

All you have to do is 'where you from?'
They'll tell you
Brooklyn!
[Daddy-O]
Yeah
But yo, D
It's only one thing about Brooklyn though
[Delite]
What's up, man?
[daddy-o]
You can't fish in Prospect Park lake
[Delite]
Aw man
(*laughs*)
Why, I tell you what
[Daddy-O]
What?
[all]
LET-LET-LET-LET-LET THE GOOD TIMES ROLL!

Break

(This is it, y'all)

[Daddy-O]
This is for my fans

(This is it, y'all)

[Fruitkwan]
Dedicated to the ones that declarate us
