[ Human Mix Machine Wise ]

My name is Wise Supreme and I don't eat pork  
I reside in Chilltown but came from East New York  
From a time of bein broke to a life of luxury  
Stay in the house or you won't see much of me  
But when I'm out I go to Brooklyn just to chill and max  
And from my head to my toes I wear all black  
No, I'm not a criminal, playin with my digital  
Lay back in my chair while collectin my residuals  
Cash that I made during winter, summer, fall, spring  
But gettin dissed by a foe is just a small thing  
Rememberin the time I was goin to a talent show  
I saw my ex-partner who's now a foe, you know

Anyway, the brother said hi, cool  
This took place in Jefferson High School  
I was here to observe all the talented acts  
He was there to try to battle, here's the facts  
Was sittin in my seat, the host grabs a mic  
'Stet's Human Mix Machine versus Essence tonight'  
I said, 'What? Who set this up?'  
The crowd started goin crazy as they start to erupt  
Between every act of people doin their show  
Essence got on the mic and said, 'Wise, let's go'  
I didn't wanna battle, why waste my time?  
He got on stage, kicked beats while his MC started  
rhymin
