[DJ Khaled:]

DJ Khaled,
We the best season
Has returned
I do this
For the streets
The runners

Cause I'm out here grindin'
Cause I'm out here grindin'
Hey Hey
I don't care what nobody say
Ima be me (be me)
Stay hood stay rased in the streets
(cause I'm out here grindin')
Talking about greatness whenever they speak about
me (cause I'm out here grindin')
I ain't spitting nothing with nobody homie
I gotta gimme me
(cause I'm out here grindin')
I ain't slipping 8 days
I can go for 8 weeks
Ain't nothing to me cause I am the streets.

[Rick Ross:]

Ricky ross,
Put my life on the line
But I'm likely to rhyme
I'm on top of the game
If you like it or not
Ask how I get freesh
Strawberry swishy sweets
You'll be dealing with H when you dealing with G's
Flashing deal with the realest
Shopping like it's still december
Diplomat on the fender of the phantom I'm the winner
I do it for the hood
I do it cause you're gay
You suckers wish you could ricky ross is in the bank

[Plies:]

Hey feds,
Heard your bringing my name up
Know you want me back
Think I give a fuck
Better dyte me now
Before price go up
Came in the world thuggin leaving with big nuts
Yeah I run with killas homie so what
What you want me to tell

Sitting on your foreign

Dark boys on the black gas see they don't black mask
Now they can stand my black ass
