L U is the living underground
C K we come to kick down
Nice Easy And Tight
That's the sound of a champ on the mike
I tell you about L U is the living underground
C K we come to kick down
Nice Easy And Tight
That's the sound of a champ on the mike
Its right

Uno Dos Tres Cinco
Says what the raver can do
Give me the good time Latino crew
With the bump and the flex
And now we break through

Adios Amigo Ola Senorita
Me and my DJ we're live in the area

So will you wine and dine
And take a little time to brock whine
And roll with the style

(instrumental break)

Roll with the style

Adios Amigo Ola Senorita
