i know i did you wrong girl

its my fault  
im sorry  
i can see my whole world changing cos of you  
its up side down, im lonely  
should of known better than to sleep with your best  
friend  
come back here give me one more try

im sorry  
im sorry  
im sorry  
im sorry  
sorry,sorry,sorry

yeah, yeah,

say yeah say yeahhhh

i can see my whole world changing  
theres no need to live if i cant be with you  
what i did was wrong im sorry  
didnt know how much i really miss you(x2)

last night i made a big mistake  
now im sittin here in my room like brandy  
taking time to contemplate  
ive been such a fool lately  
girl i no i messed up  
by sleeping with your best friend  
girl i know i abused your love  
but please dont let this end

i can see my whole world changing  
theres no need to live if i cant be with you  
what i did was wrong im sorry  
didnt know how much i really missed you(x2)

lately, we been fuss and fight  
been arguein bout everything  
that drove me to creep at night  
round to your best friends, best friends  
she helped me try to figure out  
dont no what came over me  
she touched me and turned off the light  
i swear it didnt mean a thing to me

I cant live  
without you  
i know i did you wrong girl  
no i did the wrong thing  
its my fault  
im sorry  
i can see my whole world changing cos of you  
it's up side down, finally  
should of known better than to sleep with your best  
friend  
come bak here give me one more try
