Soldiers, march! [Planet Asia] You could neva knock me off my square It's a Boss here, we taking you off here This is Gold Chain warfare A clean kill Muggs is in the kitchen cooking up mean meals Now let's eat validated by the best beats Straight from FC, wit nothing is sugary Medallion is the name cuz I shine like jewelry More toolery, we keep it OG, Schoolly D And your death bed will be soon to be If it all comes down to just you and me Get ready for some heavy artillery I beat down punks, cut 'em up in junks I know the path is the past but your history sucks Let some real shit happen, get your Captain Crunch I'm capturing chumps, ayo Un pass the pump That's wassup, the God got your mask touch And 'That's What It Is' (Chorus) Planet Asia One thing is fo'sho You could get touched when the God is in the house Fake niggas get rushed I get on, make the shit sound plush Yo, them cat's ain't fucking wit us 'That's What It Is' Soldiers, march! [Planet Asia] I mutilate emcees wit multi-metaphors The microphone predator Hit a set of war, I fuck a rock star Another political got fam, sensitize like a Nazi General It's a two shot kill wit the Dillinger Fire from the iron gotchu losing your minerals Now watch me take this to the pinnacle Make the masterpieces split the percentages Till I finish this, popping the spree My option will be going Gold and copping a Ki It's the deal of the century I'm half-way-home, drop-top Rome Hopping out cover the stones The money varies, politicking wit the honey Berry Lights out in the bathroom, a good game of Bloody Mary Everything I write is legendary Vegetarian, no lamb or ham Or chicken, or turkey, or hamburger Fucking wit me, the super-size self murdah We're bringing it back to what we call hip-hop It woulda meant to Jay Master Jay and Pac You say you're hot, I say you're not I'm spraying some shots even if you stay on the block And 'That's What It Is' (Chorus) Planet Asia 2x
