Flyin' down a flat track, bottle in a brown sack
Pistons pumpin' in a poor boy's Cadillac
Cross the Mississippi, crazy on the pale moonlight

I'm goin' to beat the devil
To see my angel tonight, yeah

Gotta go can't stop smokin' like a chimney top
Heart's on fire got me heated up real hot
Burnin' down the bayou like a lit stick of dynamite

Say I'm goin' to beat the devil
To see my angel tonight

There's a little piece of Heaven
Down a snaky Louisiana road
Sweeter than a taste of homemade wine
And hotter than Tabasco

Tearin' up the retreads right foot full of lead
Ain't slowin' down for alligators, copperheads
Like a runaway train barrelin' down the line

I'm goin' to beat the devil
To see my angel tonight

Get out of my way

There's a little piece of Heaven
Down a snaky Louisiana road
Sweeter than a taste of homemade wine
And hotter than Tabasco

Skeeter filled swampland, shaky bridge quicksand
Runnin' over potholes fast as I can
One left headlight leadin' me to paradise

I'm goin' to beat the devil
To see my angel tonight

Say, I'm goin' to beat the devil

To see my angel tonight

Yeah, I'm goin' to beat the devil
To see my angel tonight

Oh, yeah, almost there
