Check, check one...where is all my violins

My checks ain't bouncin' but they sure is shakin'  
I ain't broke yet but I sure am breakin'  
My BLT's just waitin' on my bacon  
But heaven say, "Good Good Gracious"

There's too much month at the end of the money  
Not enough dough at the end of the day  
Don't know why I'm laughin' cuz it sure ain't funny  
There's too much month at the end of the money

Swimin' in the red, Drownin' in the blues  
I ain't rollin' in the green, like i likes to  
My piggy bank is empty, no chicks in the coop  
I need a cash cow, a little Moo La Moo

There's too much month at the end of the money  
Not enough dough at the end of the day  
Don't know why I'm laughin' cuz it sure ain't funny  
There's too much month at the end of the money  
Yeah  
Oh yeah  
That's right

Oh, I've done some thinkin'  
I'd be ok, If a month was only 24 days

There's too much month at the end of the money  
Not enough dough at the end of the day  
My bottom line is just down right funky  
There's too much month at the end of the money

There's too much month at the end of the money

Don't know why I'm laughin' cuz it sure ain't funny  
There's too much month at the end of the money

Moo La Moo
