nanananana

We're all alone in the river  
and i dont know whether'  
im sinkin or swimmin with you  
its you and me together  
yea i dont know better  
im sinkin or swimmin with you  
take the anchor off baby  
cut the rope of my feet  
why dont you love me like you mean it  
comon baby let me drown in peace  
We're all alone in the river  
and i dont know whether'  
im sinkin or swimmin with you  
cuz you and me together  
hell i oughtta know better  
im sinkin or swimmin with you  
throw me in the mississippi  
running water high and low  
let me roll with your currents  
I'll be fightin with the undertone  
sometimes i feel like you dont wanna breathe  
no no  
go on capsize me baby but i still believe

i know that love aint always peaches and creme  
more like bitter than sweet  
nanananana  
shake the rhythm off baby  
wring the water from my jeans  
dance with me baby  
or sting me like a honey bee  
We're all alone in the river  
and i dont know whether'  
im sinkin or swimmin with you  
well its you and me whatever  
oh i dont know better  
im sinkin or swimmin with you  
waitin here shiverin  
cuz i dont know whether  
im sinkin or swimmin with you  
if its gonna be forever

well the words are forever  
im sinkin or swimmin with you  
Im skinkin or swimmin with you  
oh i'd rather be swimmin with you girl.
