Every heart beats fast
When love is strong
And my heart feels like that
When I'm in your arms
Once in a blue moon
There's an open door
Ooh, what are we waitin' for

There's a starry night around us
Destiny has found us on the edge of time
We can take this moment
And let it be the dawnin'
For the rest of our lives

Every heart beats fast
When love is strong
And my heart feels like that
When I'm in your arms
Once in a blue moon
There's an open door
Ooh, what are we waitin' for

We can't wait forever
If it's now or never
Let's take the chance
It's too late to let go
We hold tomorrow
In our hands
Every heart beats fast
When love is strong
And my heart feels like that
When I'm in your arms
Once in a blue moon
There's an open door
Ooh, what are we waitin' for

When you fall in love
It feels this way
There's no time for us to be afraid

Every heart beats fast
When love is strong

And my heart feels like that
When I'm in your arms
Once in a blue moon
There's an open door
Ooh, what are we waitin' for

I said, ooh, what are we waitin' for
