Song by Supergrass

Got my sweet, sweet love,
And the best of friends
In the breezy heat
Come away

I was feelin' fine,
And the water's fun,
I could stay here,
For the day

But we still need more
Than Anyone can give,
But we still need more
Because here it comes, here it comes

There's a music show
With a distant Sound
As the wild sun
Hits the sky

See the smoke rise up
Through the heavy crowds
We're together
For the Day

But we still need more
Than Anyone can give
But we still need more
Because here it comes, here it comes

I feel so free
In the easy heat
As the sun falls
From the sky,

I feel so right
In the evening light
I could stay here
for the day
