"Bad to the Bone"

I'm bad to the bone, with a style like Al Capone
I'ma smile while I give you the dial tone
Eatin shrimp and girls I be pimpin
Walk like I'm limpin, this brother ain't simpin
Not to mention, I'm winner of Mack Daddy conventions
I get a lot of attention
Sleepin in sheets that's made of satin
with one of my money makin honies, she's mixed
Spanish and Latin
She's a fly type of swinger
Twenty carats on her fingers, minks on every coat
hanger
In a highrise, made for only fly guys
With a size that attracts the ladies eyes
Keepin the stash and the cashflow
Profile's kept low, more dough than Barry Manilow
Fly cars, I got diamonds in jelly jars
To earn respect, collectin bar fight scars
Slick talkin with a chick when I'm walkin
Midnight stalkin, all the suckers be hawkin
And I max while you be waxin your Cadillacs
Smooth as a fax, but I can cut you like an axe
Big spender, cause I'm a winner like Bruce Jenner
I burn all beginners and let em simmer like a TV dinner
On the phone cause I'm hard like stone
Holdin my own, cause I'm bad to the bone

I'm gettin cash and, ladies receive my passion
Parties I'm crashin with a flashy type of action
On stage, I kick outrageous
And I enslave the bravest, more diamonds than Sammy
Davis
I'm more dramatic than _Dallas_ is
More pretty than a palace is, hands no callouses
Give me a clever girl and I'll outfox her
The man that rocks her in pure silk boxers
So what you want honey a chump or a champ?
Visa or food stamps, Latins or lamps?
I run the game like Sega
Go to war like Noreaga, hit like Schawrzaneggar
Excitin when I'm fightin I'm frightenin

Stick chicks slick in quick like greas
