Well listen to me, you young hoods, this is some advice  
You do the crime, you're payin the price  
Cause if you're in the drug spots, sellin crack on the  
block  
Snatchin chains, bustin brains, like a real hardrock  
If you ever hear a cop say you're under arrest  
Go out just like a trooper, stick out your chest  
Cause you might have been robbin, you might have  
been whylin  
But you won't be smilin on Riker's ISLAND

Just to hear the name it makes your spine tingle  
This is a jungle where the murderers mingle  
This ain't a place that's crowded but there's room for  
you  
Whether you're white or you're black, you'll be black  
and blue  
Cause in every cellblock, there is a hardrock  
with a real nice device that's called a sock lock  
Don't ever get caught in a crime my friend  
Cause this bus trip is not to Adventure's Inn  
They have a nice warm welcome, for new inmates  
Razors, and shanks, and sharp edged plates  
Posses will devour, punks with power  
After the shower it's, rush hour  
So watch your back before you get sacked  
These a bunch of maniacs that's about to attack  
If you're a hustlin pro, keep a low profile'n  
Cause you won't be smilin on Riker's ISLAND

C-74, adolescents at war  
Put your ear to the floor, you can hear the roar  
They take you out of BC, they now found you a cage

All eyes are glued to you like you're up on stage  
If you're soft as a leaf, don't get into a beef  
And God be with you chief if you got gold teeth  
Some try to be hard, front and say I'm God  
Don't know a lesson say a blessin, you're gonna get  
scared  
(Yo call the C.O.) That won't be necessary

He'll watch him beat you down, and take your  
commissary-acap
