[Verse 1: AMG]

I can be a little picky, blame the sticky icky
pick a bottle get a glass down to sippy sippy
I see you baby keep bouncing on your tipy toes
when the beat drop dip and make your booty roll
cold peace of work filling out your miny skirt
It's saturday night you'll prolly wear that shit to church
sick of lame dudes frontin wit an attitude
talkin bout they rims and all the damn tennis shoes
I got some grown man game for your blue tooth
I'm hot middle of winter coup no roof
used to shusi beno and some calamari
your want a nigga that might grow up to be somebody
OG resorts by the sea sand between toes
umbrella in ya drinks
worldwide AM hit me on the G mail
I brought my boy wit me so bring another female

[Hook - AMG]

Diamonds on my fingers a couple on my toes
Walked up to the party seen so many hoes
Can You work wit that, Can You work wit that
Can You work wit that.(female voice) I can work wit that
Cali to the A we speeding down the freeway
in the stretch LS baby we hood fellas
Can You work wit that, Can You work wit that
Can You work wit that.(female voice) I can work wit that

[Verse 2: DJ Quik]

Let me do my job girl don't make it easy for me
