oh, thinking about our younger years
there was only you and me
we were young and wild and free
now nothing can take you away from me
we've been down that road before
but that's over now
you keep me coming back for more
(chours)
baby you're all that i want
when you're lying here in my arms
i'm finding it hard to believe
we're in heaven
and love is all that i need
and i found it there in your heart
it isn't too hard to see we're in heaven
oh once in your life you've found someone
who will turn your world around
pick you up when you're feeling down
now nothing can change what you mean to me
there's a love that i can say
just hold me now

cuz our love will light the way

(chours)

I've been waiting for so long

something to ride

love to come along

now our dreams are coming tru

through the good times and the bad

i'll be standing there by you

(chours)

ohhh ohhh ohhh

ohhh ohhh ohhh

we're in heaven
