Baby, let me follow you down

Baby let me follow you down
Baby let me follow you down
Well I'll do anything in this God almighty world
If you'll just let me follow you down

Can I come home with you?
I said can I come home with you?
Well I'll do anything in this God almighty world
If you'll just let me follow you down.

I'll buy you a diamond ring.
I'll buy you a wedding gown
And I'll do anything in this God almighty world
If you'll just let me follow you down
