Everybody's out to get me  
See it in their eyes  
Hardly see the way they look at me  
When I go cruisin' by

Cadillac, cadillac  
I'm a coupe de ville built for thrill  
Cadillac

I got chrome everywhere I need it  
Rolled and pleated front to back  
If you don't think I got it made  
You ought to see me dressed in black

Cadillac, cadillac  
I'm a coupe de ville built for thrill  
Cadillac  
Now, if you've got a woman  
There's one thing for sure  
If you want to keep her  
You best keep her from my door

Cadillac, cadillac  
I'm a coupe de ville built for thrill  
Cadillac

Cadillac

Oh, cadillac
