Huh!

Oh Condi, Condi, beggin' on my knees
Open up your heart and let me in, won't you please?
Got no money but everybody knows
I love you Condi and I'll never let you go
Sweet and dandy pretty as can be
You be the flower, I'll be the bumble bee
Oh she loves me, oops, she loves me not
People say you're cold but I think you're hot

Oh Condi, Condi
Oh Condi, Condi

Oh Condi, Condi
Oh Condi, Condi

Oh Condi, Condi, talkin' to you girl
What's it gonna hurt? Come on give me a whirl
Shake your body and let me see you go
One time for me, oh Condi, I love you so
Skank for me Condi show me what you got
They say you're too uptight I say you're not
Dance around me spinnin' like a top
Oh Condi, Condi, Condi don't ever stop

Oh Condi, Condi
Oh Condi, Condi
Oh Condi, Condi
Oh Condi, Condi
Oh

Oh Condi Condi, can't you hear me call?
I'm standin' in the street outside your garden wall
Pocketful of money, belly full of wine
Condi in my heart and romance on my mind
Listen to me Condi don't be afraid
I come here tonight to chase your blues away
I'll never hurt you I'll treat you right
Oh Condaleeza, won't you come out tonight?

Oh Condi, Condi

Oh Condi, Condi

Oh Condi, Condi
Oh Condi, Condi

My pretty little Condi precious as can be
Bet you never had another lover like me
Huh!

Oh Condi, Condi
Oh Condi, Condi
