(Steve Earle)

I remember holdin' on to you
all them long and lonely nights
I put you through
somewhere in there I'm sure I made you cry
but I can't remember if we said goodbye
but I recall all of them nights down in Mexico
one place I may never go in my life again
was I just off somewhere or just too high
but I can't remember if we said goodbye
I only miss you every now and then

like the soft breeze blowin up from the Carribean
most Novembers I break down and cry
'cause I can't remember if we said goodbye
but I recall all of them nights down in Mexico
one place I will never go in my life again
was I just off somewhere or may be just too high
but I can't remember if we said goodbye
no I can't remember if we said goodbye
goodbye, goodbye
