I could tell you when I woke up this mornin'  
'Cause I can smell it when a heartache's comin'  
It's not that I'm in a hurry to lose you  
I'd call you up but there's nothin' that I can do

Talkin' won't do any good anyway  
'Cause goodbye is all we've got left to say

I don't think it's gonna get any better  
So maybe you could just write me a letter  
An' I could open it up when I'm stronger  
Another ten or twelve years, maybe longer

I guess I just don't feel much like bad news today  
Goodbye is all we've got left to say

Now, don't try to call me 'cause I'm takin' my phone out  
An' if it rings then I'll know what it's about  
An' don't you worry about me 'cause I'm alright  
Maybe you'll run into me somewhere, some night

And if you do, just keep goin' your way  
Goodbye is all we've got left to say  
Goodbye is all we've got left to say
