Sweetheart, last night I dreamed of you  
And you loved me like you used to do  
Mornin' come and I woke up and found  
I still carry you around

I still carry you around  
Everywhere I travel now  
No matter how I try to put you down  
I still carry you around

I still just can't believe you're gone  
Your memory haunts me from now on  
I walk the streets of this old lonely town  
I still carry you around

I still carry you around  
Everywhere I travel now  
No matter how I try to put you down  
I still carry you around

You're with me everywhere I go  
In my heart and in my soul  
Down every road, no matter where I'm bound  
I still carry you around

I still carry you around  
Everywhere I travel now  
No matter how I try to put you down  
I still carry you around
