I'm lookin' through you, where did you go?
I thought I knew you, what did I know?
You don't look different but you have changed
I'm looking through you, you're not the same

Your lips are moving, I cannot hear
Your voice is soothing but the words aren't clear
You don't sound different, I've learned the game
I'm looking through you, you're not the same

Why tell me? Why did you not treat me right?
Love has a nasty habit of disappearing over night

You're thinking of me, the same old way
You were above me but not today
The only difference is you're down there
I'm looking through you and you're nowhere

Why tell me? Why did you not treat me right?
Love has a nasty habit of disappearing over night

I'm lookin' through you, where did you go?
I thought I knew you, what did I know?
You don't look different but you have changed
I'm looking through you, you're not the same

Baby you're changed
I'm looking through you
I'm looking through you
