Come on pretty baby, won't you take me by the hand?
I thought maybe that I could be your man
And for a while, we could go in style
Come on, we're goin' on an outlaw's honeymoon
Come on

I gotta keep movin' 'cause baby I'm a travelin' man
And there ain't a lotta women out there that understand
But if you do, I'll be good to you
Come on, we're goin' on an outlaw's honeymoon
Come on

I'm goin' up the country, honey, don't you wanna go?
I gotta little money, all you gotta do is let me know
I know a place, we could disappear without a trace
Come on, we're goin' on an outlaw's honeymoon
Come on
