You know that it's been such a long time, honey  
Since I've been ridin' next to you  
I ain't a-waitin' in no long line, honey  
You know, I'm only passin' through

Well, I got here without warning  
Well, I'm leavin' in the mornin'  
You won't find me hangin'  
'Round your door tomorrow like your other men  
Hey darlin', squeeze me in

I've been sleepin' by the road side, honey  
Holdin' my suitcase next to me  
You can't ignore me 'cause it's been tried, honey  
I'm gonna get you, wait and see

Well, I got here without warning  
Well, I'm leavin' in the mornin'  
You won't find me hangin'  
'Round your door tomorrow like your other men  
Hey darlin', squeeze me in
