I been warped by the rain, driven by the snow
Drunk and dirty and don't ya know
And I'm still willin'

Out on the road late last night
Seen pretty Alice in every headlight
Alice, Dallas Alice

I've been from Tucson to Tukumcari
Tehachapi to Tonopah
I've driven every kind of rig that's ever been made
I've driven the back roads, so I wouldn't get weighed

If you give me weed, whites and wine
And you show me a sign
And I'll be willin' to be movin'

I've been kicked by the wind, robbed by the sleet
I had my head stoved in but I'm still on my feet
And I'm still willin'

Now I smuggled some smokes
And folks up from Mexico
Baked by the sun
Every time I go to Mexico

I've been from Tucson to Tukumcari
Tehachapi to Tonopah
I've driven every kind of rig that's ever been made
I've driven the back roads, so I wouldn't get weighed

And if you give me weed, whites and wine
And you show me a sign
And I'll be willin' to be movin'

I've been from Tucson to Tukumcari
Tehachapi to Tonopah
I've driven every kind of rig that's ever been made
I've driven the back roads, so I wouldn't get weighed

And if you give me weed, whites and wine
And you show me a sign

Then I'll be willin' to be movin'
