"On My Own"

Visit "[On My Own](#)" on MotoLyrics.com

im on my own
im alone on the road
with no one
beside me
no one
near me
if i were to
return what would become
of us
nothing!
poor me!
why!
how could you do this to me!

im out alone
thinking of the things
we had
in the past
but its gone and will never come back
ive been the best youve ever had

im never coming back!
never!
never!

ive made up my
mind so please stay
away from me inside
i feel nothing
not even the wind on my face
not even the pain im about to face
