I heard that the Earth had a thing for Venus,
Big cities and old sky scrapers they could never turn
her head.

And it feels the same with you,
and my world gets lonely too.

Chorus: Wherever you are your never close enough,
Don't be afraid of love.

Yeah i keep waitin and i cant get in if you never open
up,

Don't be afraid of love.

Yeah i keep waitin.

Verse 2: You push me away and you say never love
again,

Oh you can see its a beautiful thing but i see its
frightenin.

So you go build a wall,
And i'll stay here til it falls

Chorus: yeah wherever you are, you're never close
enough,

Don't be afraid of love.

yeah i keep waiting,

And i can't get in if you never open up,

Don't be afraid of love.

Yeah i keep waitin.

Bridge: yeah you're always just a few steps behind and
i just cant find you.

You keep it locked away and you dont have to hide, You
don't have to hide.

ohh

I keep waitin ohhhh
