I've come home
I've been away too long
But you don't want me back again
And I tried , in the end
I can't say you made me very sad
The point of love is not to lie
Points denied , in the end , in the end
How can you tell me you don't want me
When I've done all I can to save the day
Suppose I'm in the way
In the end , in the end , in the end
You don't (don't) see sense , eyes never cry
Please take part of me , leave the rest to die
I can't say you made me very sad
The point of love is not to lie
Points denied , in the end , in the end
How can you tell me you don't want me
When I've done all I can to save the day
Suppose I'm in the way
In the end , in the end
How can you tell me you don't want me
When I've done all I can to save the day
Suppose I'm in the way
In the end , in the end , in the end
