(written by Barry/Robin/Maurice/Andy Gibb)  
You got me looking at that heaven in your eyes  
I was chasing your direction  
I was telling you no lies  
And I was loving you  
When the words are said ,baby , I lose my head  
And in a world of people , there's only you and I  
There ain't nothing come between us in the end  
How can I hold you when you ain't even mine  
Only you can see me through  
I leave it up to you

Do it light , taking me through the night  
Shadow dancing , baby you do it right  
Give me more , drag me across the floor  
Shadow dancing , all this and nothing more

All that I need is just one moment in your arms  
I was chasing your affection  
I was doing you no harm  
And I was loving you  
Make it shine, make it rain , baby I know my way  
I need that sweet sensation of living in your love  
I can't breath when you're away , it pulls me down  
You are the question and the answer am I  
Only you can see me through  
I leave it up to you

Do it light, taking me through the night  
Shadow dancing , baby you do it right  
Give me more, drag me across the floor  
Shadow dancing , all this and nothing more

And in this world of people there's only you and I  
There ain't nothing come between us in the end  
Ah, how can I hold you when you ain't even mine  
Only you can see me through  
I leave it up to you

Do it light , taking me through the night  
Shadow dancing , baby you do it right

Give me more, drag me across the floor  
Shadow dancing , all this and nothing more

Do it light , taking me through the night  
Shadow dancing , baby you do it right  
Give me more, drag me across the floor  
Shadow dancing , all this and nothing more

Do it light , taking me through the night  
Shadow dancing , baby you do it right  
Give me more, drag me across the floor  
Shadow dancing , all this and nothing more
