Here comes switch to my soul
I'm feeling, it's the beat of the life

I'm feeling, it's the beat of..

[Ice-T]

No Drag call this Pop or Alternative Rock
It's the beat from the streets and it's called Hip-Hop
It'll be dimensional move shakes, yo, fight in the club
it'll be dimensions: smoke and get drunk, the shit that
you love
guns in the club, the dresscode for niggaz that know
Hip-Hop that's only black in music, it's 'bout gettin' the
dough
come with the flows, and every night fuckin' new hoes

[Break]

[Hook: Sandra]
Everybody put your hands up "come on, come on"

[Trigger the Gambler]
I'ma shoot out beef wetter, racer cuttin' shreader
