I can't hear you  
You're talking to yourself  
And what you're used to  
It don't work on no one else

I'm gonna teach you  
And keep you for myself  
Gonna take you by the hand  
And walk you to my house  
So I can hear you

I wanna hear you

I can't say so  
Naive, be so naive  
You're stashing money  
There're rubies up your sleeve

I'm gonna teach you  
You're never gonna leave  
I'm gonna take you by the hand  
Gonna walk you to my house  
So I can hear you

I wanna hear you

I can't hear you  
You're talking to yourself  
And what you're used to  
It don't work on no one else

I wanna teach you  
Keep you for myself  
Gonna take you by the hand  
I'm gonna walk you to my house  
So I can hear you

I wanna hear you  
I wanna hear you  
I wanna hear you  
I wanna hear you

I wanna hear you
