Once I had a pony, her name was Lucifer  
I had a pony, her name was Lucifer  
She broke her leg and she needed shooting  
I swear it hurt me more than it could ever have hurted  
her

Sometimes I wonder what's going on in the mind of  
Miss X  
Sometimes I wonder what's going on in the mind of  
Miss X  
You know she got such a sweet disposition  
I never know what the poor girl's gonna do to me next

They say you're usin' voodoo, your feet walk by  
themselves  
They say you're usin' voodoo, I seen your feet walk by  
themselves  
Oh, baby, that god you been prayin' to  
Is gonna give ya back what you're wishinn' on someone  
else

Come over here pony, I, I wanna climb up one time on  
you  
Come over here pony, I, I wanna climb up one time on  
you  
Well, you're so bad and nasty  
But I love you, yes I do
