How gentle is the rain that falls softly on the meadow  
Birds high up in the trees serenade the clouds with  
their melodies

Oh, see there beyond the hill, the bright colours of the  
rainbow.  
Some magic from above made this day for us just to  
fall in love

Now I belong to you from this day until forever,  
Just love me tenderly and I'll give to you every part of  
me.

Oh, don't ever make me cry through long lonely nights  
without love.  
Be always true to me, keep this day in your heart  
eternally.  
Some day we shall return to this place upon the  
meadow.  
We'll walk out in the rain, see the birds above singing  
once again.

Oh, you hold me in your arms, and say once again you  
love me,  
And if your love is true, everything will be just as  
wonderful.

You'll hold me in your arms, and say once again you  
love me,  
And if your love is true, everything will be just as  
wonderful.
